## Abstracts

Variety stores in Singapore continued to record solid growth in 2023, driven by the rising cost-of-living pressures, which were a key area of concern for local consumers. Amid a muted economic climate, and rising prices as a result of inflation and global socio-political uncertainties, many consumers reduced their discretionary spending (such as on bigger-ticket items) and sought to stretch their budgets. This scenario continued to support variety stores, with the channel offering an attractive...
