## Abstracts

Givaudan is the world's leading flavours and fragrances company, but in recent years it has been investing heavily in acquisitions, with a view to increasing its presence in other related categories, including more complete taste solutions and active cosmetic ingredients. This report discusses this programme of expansion, assesses the company's current financial position, looks at key consumer categories in which it is involved, and makes recommendations on possible future directions.

Euromonitor International's Givaudan in Ingredients (World) Company Profile offers detailed strategic analysis of the company's business, examining its performance in the Ingredients industry. The report examines company shares by region and sector, product developments, market and distribution strategies, challenges from the competition and future prospects. Use it to understand opportunities and threats facing the business and the factors driving success.
