Abstracts

A tight labour market, persisting supply chain disruptions and elevated economic uncertainties cloud the business environment globally. Despite the challenges, there are opportunities for businesses to transform, innovate and build resilience in the new economic environment. Understanding the key trends shaping global business dynamism allows companies to adapt to the changing landscape and embrace new opportunities.

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

Product coverage:

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
