Abstracts

The global hotel industry is reaching new heights prompted by strong growth in tourism flows globally. Sales continue to shift towards emerging markets at the expense of developed markets, especially Europe. However, the hotel industry now grapples with the rise in peer-to-peer lodging, with Airbnb leading the market. Going forward, technology will shape the industry with regards to distribution, marketing and guest experience.

Euromonitor International's Global Hotels: Reaching New Heights global briefing offers an insight into the size and shape of the Travel and Tourism market, highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues. It identifies the leading companies and brands, offers strategic analysis of key factors influencing the market from innovation, pricing, channel distribution to economic/lifestyle influences. Forecasts illustrate how the market is set to change and outlines the criteria for success.

Product coverage: Car Rental, Demand Factors, Health and Wellness Tourism, Online Travel Sales to Country Residents, Tourism Flows Domestic, Tourism Flows Inbound, Tourism Flows Outbound, Tourism Receipts and Expenditure, Tourist Attractions, Transportation, Travel Accommodation, Travel Retail.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
