## Abstracts

The briefing examines how the commodity market for beef performs globally and in the largest countries in terms of supply and consumption. The report also provides data and analysis on beef price dynamics, key meat consuming industries, as well as exports and imports for the countries with the largest markets for meat and meat products consumption.

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
