Abstracts

This briefing examines how the wood commodity is performing globally and in the largest countries in terms of wood supply and consumption. The report also provides data and analysis for wood prices, imports, exports and top consuming industries as well as global economic forecasts. The supply, consumption and main consuming industries overview provides benchmarks against other countries globally.

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
