## Abstracts

A clear understanding of the operating environment is vital for minimising business risks in a given country or region. This report profiles key trends that help business organisations with making the best possible investment choices, including rising global indebtedness, improving road infrastructure, declining crime rates and the importance of online business processes.

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
