Abstracts

Delivering the statistical analysis behind worldwide trends like ageing households, female breadwinners and singleton consumers, the Global Overview of Household Profiles provides a top line outline of the inhabitants residing in the household. This report contains a global outlook that examines worldwide trends in household profiles, followed by key trends, regional snapshots, and rankings of key indicators.

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

Product coverage:

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
