## Abstracts

Global travel continues to thrive in 2015, with steady growth in arrivals worldwide. Asia Pacific is now the powerhouse, with increasing numbers embracing international tourism. Lodging enjoys sound performances from luxury and budget properties, but mid-priced outlets are struggling to differentiate their offer and compete with private rentals. The mobile channel is coming of age, offering on-the-go bookings, notifications and secure payments.

Euromonitor International's Global Travel Update 2015 global briefing offers an insight into to the size and shape of the Travel market, highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues. It identifies the leading companies and brands, offers strategic analysis of key factors influencing the market from innovation, pricing, channel distribution to economic/lifestyle influences. Forecasts illustrate how the market is set to change and outlines the criteria for success.

**Product coverage:** Activities, Booking, Flows, Lodging, Travel Modes, Traveller Profiles.

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
