## Abstracts

This report provides a global overview of commodity market trends from 2017 through to 2022, including price forecasts up to 2024 for the key commodities in the Agriculture, Energy and Metals sectors. Insights analyse long-term global trends that can help businesses adapt to changes in the production and supply network, and identify business opportunities.

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
