Abstracts

GM Pharmaceuticals Ltd (GMP) will continue to benefit from the further expansion of the PSP Group over the forecast period. PSP is expected to focus on further expanding its network of chemists/pharmacies and hospitals, thus broadening GMP's distribution network. GMP is also likely to further widen its product range, supporting new launches and key existing brands with strong promotional activities.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
