Date: December 2016

Pages: 2

Price: US\$ 150.00 (Single User License)

ID: G873079F70AEN

Abstracts

Godtlevvert aims to continue its rapid growth into the forecast period as increasing numbers of consumers in Norway realise the benefits of sourcing groceries online, as well as the added perks of the food box model. The company is expected to face stiffer competition over the forecast period as larger traditional grocery retailers make moves into online sales. Continued growth will be achieved by providing good food, at reasonable prices, thus adding value to customers' lives.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
