Price: US\$ 572.00 (Single User License)

ID: G741A56966BEN

Abstracts

The company has historically focused on the production of folding cartons and specialty bag packaging, however, is looking to vertically integrate and become a pure-play paperboard packaging company for the entire world. In 2014 the last major steps of this transformation were completed. Its core business of paperboard sales is unlikely to change in the near future within the US. The company has also focused on expanding in other regions like Europe over the review period.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

Get a detailed picture of the Packaging market;

Pinpoint growth sectors and identify factors driving change;

Understand the competitive environment, the market's major players and leading brands;

Use five-year forecasts to assess how the market is predicted to develop.
