Abstracts

Grigiskes is highly focused on expansion and modernisation of its facilities. The company upgraded its production lines to expand its product portfolio with new products and formats. Besides this, it invested in its new business ventures outside Lithuania, which allowed it to expand its presence in foreign markets. The company constantly strives to improve the quality of its products to cover different price segments and become more competitive to the largest international brands.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
