Abstracts

G'Roby Netshop is expected to expand its product portfolio in order to attract more and more consumers. Since it has been facing competition from other online food retailers, it may introduce new services and offer selected products at reduced prices. The company may also decide to open further stores in the domestic market in the future to boost sales.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
