Abstracts

Alongside its large consumer appliances business, Groupe SEB holds the lead position in the global cookware market. In 2011, SEB continued to develop its homewares operations through a combination of acquisitions and geographic expansion. While these investments contribute to the company's ongoing category growth, managing the challenges of a widening brand portfolio will be key in SEB's quest to maintain and strengthen market leadership.

Euromonitor International's Groupe SEB in Home and Garden (World) Company Profile offers detailed strategic analysis of the company's business, examining its performance in the Home and Garden market. The report examines the company's performance by region and category, its brand portfolio and new product developments, market and distribution strategies, challenges from the competition and future prospects. Use it to understand opportunities and threats facing the business and the factors driving success

Product coverage: Gardening, Home Furnishings, Home Improvement, Homewares.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
