Abstracts

Gujarat Co-operative Milk Marketing Federation will continue to expand its production capacity in the forecast period, as it seeks to capitalise on growing demand for packaged milk across India. November 2016 saw the company announce plans for its seventh centralised milk processing plant in Howrah, with this set to be operational by the end of 2018. By 2021, the company meanwhile plans to increase its daily milk processing capacity from its 2016 level of 28 million litres to 38 million litres.
