Abstracts

Distribution channels play a crucial role in sales of gum, ensuring on-the-go and impulse purchase accessibility for consumers. Supermarkets and hypermarkets have long been the primary sales points for gum, offering a wide variety of options for shoppers. However, convenience stores have been expanding rapidly, along with the growth of e-commerce platforms. These developments have increased competition among distribution channels, leading to wider product availability and variety for consumers,...

Euromonitor International's Gum in Indonesia report offers in-depth knowledge of the market at a national level, providing local insight and understanding unavailable elsewhere.
