## Abstracts

After a successful demerger from GlaxoSmithKline Pc, Haleon Plc, formed in July 2022, continues to lead the consumer health industry, supported by its power brands. While North America is a key region, Asia Pacific, and the Middle East and Africa have provided significant gains.. As Rx-to-OTC switches dry up, Haleon will continue to look for strategic investments to grow inorganically. There are opportunities to expand in preventative health outside its Caltrate and Centrum brands.

Euromonitor International's Haleon Plc in Consumer Health (World) Company Profile offers detailed strategic analysis of the company's business, examining its performance in the Consumer Health industry. The report examines company shares by region and sector, product developments, market and distribution strategies, challenges from the competition and future prospects. Use it to understand opportunities and threats facing the business and the factors driving success.

**Product coverage:** Allergy Care, Herbal/Traditional Products, OTC, Paediatric Consumer Health, Sports Nutrition, Vitamins and Dietary Supplements, Weight Management and Wellbeing.

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
