## Abstracts

As was the case throughout the review period, TWS earbuds is poised to be the most dynamic performer among the main headphones categories in Israel in volume growth terms in 2023. Increasing appreciation for the convenience and portability of these products has continued to buoy demand, particularly now that consumers are spending more time outside the home with the return to pre-pandemic routines. Due to their lightweight and compact design features, they are an especially popular choice among...

Euromonitor International's Headphones in Israel report offers a comprehensive guide to the size and shape of the in-home, portable and in-car consumer electronics products markets at a national level.
