## Abstracts

Headphones is expected to register slight volume growth, largely driven by healthy volume growth in TWS earbuds, which is by far the best seller in headphones. Wireless headbands and wireless earphones are both expected to register volume declines. Sales of headbands are slow due to the availability of newer, less bulky alternatives in the market.

Euromonitor International's Headphones in Morocco report offers a comprehensive guide to the size and shape of the in-home, portable and in-car consumer electronics products markets at a national level. It provides the latest retail sales data, allowing you to identify the sectors driving growth.
