Abstracts

Health and beauty specialist retailers suffered a significant drop in current value growth in 2020. With high inflation, due to the economic fallout of COVID-19, consumers experienced a decline in purchasing power and were increasingly price sensitive as a result. Non-essential healthy and beauty in particular suffered a big hit, as people socialised less due to restrictions on movement. Both students and office workers worked and studied at home more often, which in many cases meant there was n...
