Abstracts

Thanks to heightened health and immunity awareness due to COVID-19, health and beauty specialist retailers will achieve strong retail value growth in 2021, following the stable results of 2020. This is a good performance for a non-grocery retailer (with all other store-based non-grocery retailing channel recording double-digit decline in 2020). This is because many of the channel's outlets were considered essential and were thus allowed to remain open during even the strictest lockdowns. This pr...
