Abstracts

Driven by significant price increases, overall health and beauty specialists saw strong growth in value sales in Austria in 2023, roughly at the same level as retail offline overall. Consumers' willingness to spend in this category has generally remained at a high level and has not suffered nearly as much as categories such as homewares and home furnishing stores or home improvement and gardening stores since the sharp rise in inflation at the beginning of 2022. The category is characterised mor...
