## Abstracts

Health and beauty specialists maintained slow growth in outlet numbers and moderate growth in current value terms in Mexico in 2023. Beauty specialists registered the best performance within health and beauty specialists during 2023, with fragrances being one of the most dynamic product types as normal lives resumed post-pandemic. Despite experiencing the highest growth rate in current value terms in 2023, both sales and the number of outlets in the channel remained well below the pre-pandemic l...
