Abstracts

In 2013 health and wellness tourism increased in current terms to reach value sales of €843 million. In particular, health and wellness tourism in Italy performed well over the review period, mainly from August onwards each year, and in particular during the Christmas holidays, thanks to various bank holidays which allowed Italians to take longer breaks.

Euromonitor International's Health and Wellness Tourism in Italy report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest market size data 2009-2013, allowing you to identify the sectors driving growth.
