## Abstracts

Medical tourism in Peru increased in current value by 14%, a higher rate of growth than the current value CAGR of 8% recorded in the category over the entire review period. Many inbound tourists travel to Peru for dental treatments, plastic surgery, laser operations and fertility treatments. These patients come mainly from Chile, the US and Spain, while there is a stream of people entering Peru across its Southern border from Northern Chile seeking medical treatment in the city of Tacna.
