Abstracts

The country is still not able to attract a significant number of medical tourists due to its lack of focus on a specific medical treatment on which to concentrate. Whilst Thailand may be known for cosmetic surgery and Germany for stem cell treatment, the Philippines still has not identified a particular health and wellness treatment which it would provide better than others. Even if hospitals are upgrading their facilities and obtaining international accreditation, their efforts still fail to...

Euromonitor International's Health and Wellness Tourism in Philippines report offers a comprehensive guide to the size and shape of the market at a national level.
