Abstracts

The current value growth of 10% recorded in medical tourism in 2013 by was a key trend in health and wellness tourism in 2013. Foreign tourists are visiting Poland more often to receive medical treatment such as cosmetic surgery, dental treatments and to rehabilitate from earlier medical procedures and accidents. These people are encouraged to visit Poland due to the attractive prices of medical services in the country, which are significantly lower than in their countries. For example, the...
