Abstracts

According to several items from the specialist magazine Frontline, the lack of promotion has been a critical factor that has prevented the Portuguese health and wellness industry from being as developed as those in other European countries, such as Spain, France and Turkey. A large panel of specialists directly linked to the health and wellness industry in Portugal is convinced that the Portuguese government has to invest more incisively in medicinal and medical tourism.

Euromonitor International's Health and Wellness Tourism in Portugal report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest market size data 2009-2013, allowing you to identify the sectors driving growth. It identifies the leading companies and offers strategic analysis of key factors influencing the market - be they new legislative, technology or pricing issues. Background information on disposable income, annual leave and holiday taking habits is also included. Forecasts to 2018 illustrate how the market is set to change.

Product coverage: Medical Tourism, Spas.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
