## Abstracts

The revenue of Mexican healthcare and social service providers maintained a steady rise in 2018, mainly on the back of strong household spending. Consumers gained from a brighter economic landscape, with declining unemployment and easing inflationary pressure, paving the way for higher discretionary spending. However, although the government spending on health slightly recovered over the year as well, the public authorities continue to face major economic challenges resulting in continuous const...

Euromonitor International's Industrial reports provide a 360 degree view of an industry. The Industrial market report offers a comprehensive guide to the size and shape of the Healthcare and Social Services market at a national level.
