Abstracts

On the back of COVID-19-orientated products like Best Defense and an immunity supplement line, together with strong campaigns for sports nutrition, Herbalife saw solid growth during the pandemic. The company is benefiting from increased consumer awareness of healthy living and improved e-commerce channels. The company faces challenges in important markets like China and some less-digitalised regions, like Latin America, but is seeing strong growth in an emerging India.

Euromonitor International's Herbalife Nutrition Ltd In Consumer Health (World) Company Profile offers detailed strategic analysis of the company's business, examining its performance in the Consumer Health industry. The report examines company shares by region and sector, product developments, market and distribution strategies, challenges from the competition and future prospects. Use it to understand opportunities and threats facing the business and the factors driving success.

Product coverage: Allergy Care, Herbal/Traditional Products, OTC, Paediatric Consumer Health, Sports Nutrition, Vitamins and Dietary Supplements, Weight Management and Wellbeing.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
