Abstracts

Dishwashing saw particularly strong growth in 2020, as many consumers were working or learning from home. In addition, for a significant period, dine-in foodservice was not available due to COVID-19 mandates during the pandemic. In 2021, with the successful rollout of the COVID-19 vaccination by the government and the lifting or easing of restrictions, most of the concerns about COVID-19 started to abate. As a result, growth in dishwashing was slower in this year, although it was still faster th...
