## Abstracts

Asia Pacific is the largest global market for home furnishings in terms of value, and was the fastest growing over 2013-2018. The region does, however, have the second lowest per capita expenditure on home furnishings. It is expected to see strong value growth, owing to rising income levels, increasing housing stock and a growing number of households.

Euromonitor International's Home Furnishings in Asia Pacific global briefing offers the big picture view of the size and shape of the Home and Garden market. The report delivers strategic insight into some of the key areas of the market, including emerging regions, countries and categories, as well as pressing industry issues and white spaces. It identifies opportunities, analyses leading companies and brands, and offers analysis of major factors influencing the market. Forecasts illustrate how the market is set to change and criteria for success

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
