Abstracts

Carpets have a long and rich history in the United Arab Emirates, and are an important part of the country's cultural heritage. Many carpets in the country are made using traditional weaving techniques, and feature designs that are inspired by Emirati culture and art. When compared with pre-pandemic (2019), sales of carpets were higher in 2022 in both current value terms and value terms at constant 2022 prices. This can be attributed to the fact that people spent more time at home during the pan...

Euromonitor International's Home Improvement in United Arab Emirates report offers a comprehensive guide to the size and shape of market demand at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the categories driving growth. It also identifies the leading companies and their brands, and offers strategic analysis of key factors influencing demand - from new product developments, consumer lifestyles, route to market and pricing issues. Forecasts to 2027 illustrate how market demand is expected to evolve in the medium-term
