Abstracts

Laundry care is one of the largest (in terms of volume) and fastest-growing categories within home care in Italy, with sustainability a key trend in this product area in 2022, as Italian consumers continued to move towards “green” products that used recyclable/recycled packaging in laundry care. For example, leading brand Tide is now using eco-friendly HDPE bottled packaging that is 100% recyclable and creates zero production waste that needs to be disposed of. In fact, its 2030 sustainable deve...
