Abstracts

Home and garden specialist retailers registered another positive performance in 2021 and this was mainly due to the fact that huge numbers of Romanians continued to invest in improving and developing their homes. This trend began at the peak of the COVID-19 pandemic during 2020, when the strict approach taken to home seclusion and social distancing meant that consumers had very good reasons to spend money making their homes more pleasant places to work, study and spend free time in. In addition,...
