Abstracts

Televisions continued to account for virtually all sales in home video in Argentina in 2023. The very positive volume growth that was recorded in televisions in 2022 continued into 2023; however, by the middle of the year, the category was registering falling demand, resulting in a negative sales performance overall the category over the course of the year. One of the main reasons for this negative performance is the higher base from which sales are now rising, the result of very strong sales gr...
