Abstracts

Home video is suffering from the cross-category trends which are resulting in declining sales. Firstly, there is an organic slump in sales following the boom seen during the pandemic years, when consumers were upgrading their home entertainment systems during lockdowns. As such, there was a saturation of devices sold and the next replacement cycles have yet to come. Secondly, global inflationary pressures and economic uncertainty mean that consumers are being more conservative with their spendin...

Euromonitor International's Home Video in France report offers a comprehensive guide to the size and shape of the in-home, portable and in-car consumer electronics products markets at a national level.
