Abstracts

During the pandemic, Australians took greater interest in improving the liveability of their homes by making them more aesthetically pleasing and comfortable. This positively impacted sales of home furnishings over 2020-2021, and positive attitudes towards home furnishings stuck in 2022 due to the ongoing shift to remote and hybrid working. Therefore, retail sales of home furnishings remained higher in 2022 compared with the pre-pandemic levels in both current value terms and in value terms at c...
