Abstracts

Although inflation and rising prices drove home furnishings in Brazil to see growth in current value terms in 2022, sales declined in value terms at constant 2022 prices, and sales remained lower than the pre-pandemic level by this measure. However, in 2022 certain home furnishings categories saw higher sales at constant 2022 prices compared with the pre-pandemic level. For instance, although home office furniture saw a decline in constant terms in 2022, sales remained far higher than the 2019 l...
