Abstracts

In 2022's economic climate, which was fuelled by the cost-of-living crisis and the rise in prices for commodities, including energy, Swedish consumers increasingly searched for options that helped reduce costs. This compounded the declines already recorded by compact fluorescent lamps (CFL), and weak sales of charcoal barbecues in 2022. This was because these products are not considered sustainable and use greater energy and resources. In contrast, more sustainable options in the form of light-e...
