Abstracts

In 2022, home improvement saw a second year of decline in both current value terms and in value terms at constant 2022 prices. Nevertheless, sales remained higher by both measures compared with the pre-pandemic period in 2019, owing to the increased appetite amongst Japanese consumers to renovate their homes, triggered by the first year of the pandemic and the do-it-yourself (DIY) trend. During the pandemic, consumers ventured into DIY projects, since they were confined in their homes. To gain t...
