## Abstracts

In Japan, the front-loading format of washer dryers and washing machines is called the drum type (drum-gata), whereas top-loading products are called the vertical type (tate-gata). Generally speaking, many washer dryers fall under the drum type in Japan, and this is where growth is strong. For the last five years since 2018, the growth of automatic washer dryers has always been stronger than that of automatic washing machines in volume terms, therefore there is a shift from vertical type to drum...
