Abstracts

Hygiene is a key trend seen in home laundry appliances since the era of the pandemic, in line with many health and wellness trends, whereby consumers have been paying more attention to their health and the cleanliness of their surroundings. As such, hygiene care features continue to attract attention. Major brands such as LG and Samsung have been promoting their home laundry appliances with features and keywords such as “more sterilisation” and “99.9% allergy care” for a “healthier life”.
