## Abstracts

With vaccines offering a potential light at the end of the tunnel, the post-COVID-19 era is slowly coming into focus. This report highlights those elements of hometainment that are likely to persist one year into the pandemic. Whilst socialising and other vital experiences outside the home are certain to return at some point, a whole host of basic, everyday experiences will continue to be served at home, with powerful implications for brands in nearly every industry.

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
