Abstracts

Hondos Bros has adopted a conservative strategy in terms of its expansion, as it prefers to invest in its range of products and pricing instead of planning to expand its store network. Its main advantage over competitors is that it manages to incorporate a wide range of branded and unbranded products under its well-recognised brand name.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Non-Store Retailing, Store-based Retailing.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
