Abstracts

Cameroon was not as affected by the energy crisis stemming from the war in Ukraine as many other countries. Rising global energy prices in 2022 gave a boost to government coffers and helped stabilise the economy. However, ongoing civil conflict, as well as widespread poverty, restrains growth somewhat and this continues into 2023. With this background, hot drinks is expected to register a modest increase in current value sales, but volume sales are expected to fall, due to a steep fall in volume...
