Abstracts

In recent years instant coffee has seen steady growth in China, with players like Luckin, Douyin and Nestlé capitalising on this trend. The demand for instant coffee is fuelled by the fact that it is convenient, functional, quick and affordable. Instant coffee was also seeing increasing sales in the online channel in 2022, which calls for packaging that is transport-friendly, impacting the growth of this product's pack types. Glass jars were in decline in 2022, for example, while the main pack t...
