Abstracts

Hot drinks registered health value growth in 2023, as well as moderate volume growth, which was supported by continuing population growth. That being said, Pakistan's economy continued to struggle and the government secured a further USD3 billion bailout from the IMF in July 2023, avoiding an impending default. As such, inflation continued to be very high and was being driven by several factors, including international commodity prices, global supply disruptions, flood damage to crops, steep cur...
